

2026

BUSINESS
AND
TECHNOLOGY
CONFERENCE

14 APRIL
KAUNO KOLEGIJA HEI, LITHUANIA

Dear Colleagues,

We are excited to invite you and your institution to participate in our upcoming **Business and Technology Conference**, a dynamic forum exploring how resilience evolves in an era of intelligent technologies, sustainability, and global uncertainty.

We are pleased to announce that this year's **Business and Technology Conference will take place on April 14, 2026**, at Kauno kolegija Higher Education Institution, Kaunas, Lithuania, **as part of Kauno kolegija's International Week.**

Registration is now open!

Topics of the Conference:

- **AI and Digital Resilience;**
- **Financial Resilience and Climate Risk Management;**
- **Cybersecurity and Data Protection;**
- **Resilient Organizations and Leadership;**
- **Supply Chain and Geopolitical Resilience;**
- **Energy Reliability and Resilience;**
- **Tourism, Hospitality, Sports, and Wellness;**
- **Social Entrepreneurship in Agriculture and Food Production;**
- **Mathematics for Solving Contemporary Business and Technology Challenges.**
